

Our client is one of the largest and most renowned biopharmaceutical companies in the world with its German headquarters in Munich.

We are looking for a committed and motivated

Senior Manager Patient Advocacy (m/w/d)

Standort: München

Kennziffer: 26785

Your tasks

- Defining and executing the patient advocacy strategy
- Building and cultivating relationships with patient organizations, patient advocates, healthcare organizations and relevant medical societies (focus on oncology and hematology)
- Steering the planning and execution of strategic initiatives and programs with the above stakeholders
- Ensuring the inclusion of the patient and caregiver perspective within the company and among cross-functional projects using various communications channels
- Close collaboration with the worldwide patient affairs team and representing the local perspective
- Active participation in external committees and working groups focusing on patient advocacy/communications (Germany-wide)

Your qualifications

- Experience in the corporate affairs or market access department of a pharmaceutical company or relevant experience in an agency with a pharmaceutical/medical background, alternatively experience from working for a patient centric organization/initiative
- Experienced in working together with patient organizations/patient advocates, a strong network of relevant contacts is a plus
- Deep understanding of the general healthcare and biopharma landscape as well as the German healthcare system and current health policy discourse
- Very good knowledge about the legal framework and applicable regulations for working together with patient organizations
- High level of social and communication skills
- Fluent in German
- Business-fluent in English
- Very experienced project manager with the ability to work under pressure in a fast changing environment and handle multiple projects at the same time
- Energetic, entrepreneurial and passionate about the opportunity to contribute to the growth and success of the company and our vision to transform patients' lives through science.

Seit 2003 vermittelt Optares Medical erfolgreich Fach- und Führungskräfte an Unternehmen der pharmazeutischen, biotechnologischen und medizintechnischen Industrie. Dabei profitieren Sie als Kandidat (m/w/d) durch unsere langjährige Branchenexpertise und unser weit reichendes Netzwerk zu den jeweiligen Entscheidungsträgern. Wir ermöglichen Ihnen somit den Zugang zu passgenauen Positionen inklusive echten Herausforderungen und entsprechenden Weiterentwicklungsmöglichkeiten.

Die professionelle, diskrete und transparente Betreuung unserer Kandidaten (m/w/d) während des gesamten Bewerbungsprozesses steht dabei für uns im Mittelpunkt.
